Parent email address: _____ parent name _____

Parent email address: _____ parent name _____

AND

input parent and student data at <https://goo.gl/forms/zFG2szqOHBMoy2Wn2>

cut here and save bottom of back page

A lottery will be conducted in late May to determine teacher assignments.

Independent Study is not offered through M-A during the summer program.

On-line courses and other summer programs can be acceptable.

The summer course must be completed on Friday, July 7th

The Lottery (if necessary)

1. All “A” students in Pre-Calculus will be accepted before “B” students in Pre-Calculus are enrolled. If we have more “A” students than we can enroll, we will have a lottery among “A” students.
2. If we still room after all “A” students are enrolled, we will have a lottery for the remaining spots for the “B” students.
