On Monday, Tuesday, Thursday, and Friday, the Synchronous class days, students will be expected to meet online with their teacher during the scheduled class time. Classes will meet through Zoom links which will be found in each Canvas course. The class period on these days will be split into synchronous as well as asynchronous student work time.

During Wednesday's Asynchronous class time, students will be working online on individual lessons provided in Canvas, as teachers will be in meetings, professional development, and collaborations with their departments.

*Office Hours: Teachers will have 40 minutes of office hours each day, but teachers may choose to hold their office hours at a different time and will post their designated office hour times on their Canvas Home page.

Club meetings, tutoring, homework, writing centers and student activities will be available virtually and in small in person cohorts when health orders allow after instructional time
