

Get Vaccinated:

[CDPH](#) and [CDC](#) recommend the single best way to protect against flu (for everyone 6 months and older) is to get a yearly, seasonal flu vaccine. As such, SUHSD will be hosting Covid-19 and Flu Vaccine Pop-up Clinics at a few locations around our district. These vaccine clinics are provided in partnership with the San Mateo County Office of Education and San Mateo County Public Health. Vaccine clinic's will be held at our COVID testing site locations. Students aged 16-17 can get vaccinated with a consent form. Students under the age of 16 will need to have their parent or legal guardian present. Appointments are necessary to receive any vaccination and websites are being set up to book through the appropriate locations.

SUHSD Vaccine Clinics:
