

FALLING ASLEEP IN CLASS? STRUGGLING TO GET UP ON TIME? LET'S SEE IF WE CAN HELP.

At LumosTech, we specialize in developing cutting-edge sleep tech. We are now enrolling students to test our latest investigational sleep mask, together with cognitive behavioral approaches, to see if you sleep better at night and feel more energized during the day.

You may receive \$176 for participating!

ARE YOU ELIGIBLE?

- High school student
- Access to an iOS device
