

Turnitin.com

At M-A we emphasize academic integrity. Plagiarism, or copying others work without giving credit, is unethical and against the rules of the Sequoia District and the M-A community.

Turnitin is used to emphasize the importance of doing original work and giving credit for the words and ideas of others.

Getting Started – Create Your Turnitin Account

1. Go to <http://www.turnitin.com/>
2. Select **Create Account** at the top, middle of the page.
3. Select **Student** at the bottom of the page
4. Enter the **class ID** (get the ID from your teacher)
5. Enter the class **enrollment password** (get the password from your teacher)
6. Enter your **first and last name** and an **e-mail address**
7. Enter and confirm your **password**
The password is case sensitive (for example, paSS123 would be different than pass123), must be 6-12 characters long, and contain at least one letter and one number (for added security).
8. Select a **secret question and answer** combination. You will be asked for the question and answer if you forget your password and need to reset it.
9. Read the user agreement and **select “I agree”** to complete your user profile.

Add a New Class After You Have Created an Account

1. Go to <http://www.turnitin.com/>
2. Login with your **e-mail** and **password**
3. Select the **Enroll in a Class** tab
4. Enter the **class/section ID** (get the ID from your teacher)
5. Enter the **enrollment password** (get the password from your teacher)
6. **Submit** the information

Further Help with Turnitin

You can find more information about Turnitin by selecting the help button from almost any page. Turnitin also provides student training at: http://turnitin.com/en_us/training/student-training.
